Are you talking to a stranger?

Tell a grown-up or a teacher.

You gotta be safe online, all the time
Every site you search, be alert.
You gotta be safe online, realise
When you post and share,
it's out there.

Stop! Don't send it off!
Wait! It's not too late!
Think! Don't click that link!
Hey! Be safe online.

Stop! Don't type it up!
Wait! Don't spread the hate!
Think! Don't get sucked in!
Hey! Be safe online.

Is there someone spreading rumours?
Telling lies on the computer.
This anonymous abuser
Just can't see that they're the loser.
